Save time with the Star App

The norm of ten, even five years ago, is not the norm now. Everyone is busy these days whether it's with school, work, house chores, or just wanting to finally sit down and relax. That being said, it's important to make the most of our time. Sometimes we only have a few minutes to grab the information we need. This was our motivation for the new Star Communications app.

We want to help you save time and get right to the Star information you're looking for. Cutting down on the clicks needed to access information was at the top of the list.

To help us accomplish this, we took a few of our most visited starcom.net pages, while adding quick ways to reach us for any issues, and made direct connections to them on the Star app.

Here are a few benefits of the app:

<u>View your channel lineup</u>: Once you're on the app, you can select your TV service and easily view your channel lineup in the palm of your hand.

<u>Security</u>: Access your personal security app to help navigate your Star Communications security system and settings from anywhere.

<u>Crowdfiber</u>: Sign up to let us know that you are interested in getting fiber in your home or bringing it to your neighborhood.

<u>Check your email</u>: Easily and quickly get to your personal or business Star email account.

<u>View or Pay Bill</u>: No matter where you are, access an easy interface from the palm of your hand where you can click once to be taken to online bill pay.

<u>Support</u>: An easy way to email us through our contact form, report a trouble and generate a trouble ticket, or speak to live tech support about any issues.

The Star Communications app was made for you. Check it out for yourself by searching for Star Communications in the app store for your Android or Apple device today.

Business Office Closing

All of Star Communications business offices will be closed on Monday, September 7, 2020 in observance of Labor Day.

Our locations will reopen on Tuesday, September 8, 2020 at 8:00 a.m.

We wish you and your family a safe and happy holiday.

Save the Date

In accordance with our Bylaws, the Star Telephone Annual Meeting will be held the second Saturday in November, which is November 14, 2020, at Bladen Community College in Dublin, N.C. Watch future editions of TeleBytes for more information.

From Your Kitchen
Banana Nut Bread

4 ripe bananas

3 eggs

1 cup almond flour or spelt flour

2 tablespoons honey or maple syrup

1/4 cup pecans, chopped

1/4 cup walnuts, chopped

2 tablespoons baking powder

2 tablespoons ginger powder

1 teaspoon vanilla powder

2 tablespoons cinnamon

Topping

1 (13.5 ounce) can coconut milk

1 tablespoon honey

2 tablespoons cinnamon

Preheat oven to 350 degrees.

Puree three bananas with a hand mixer. Scoop into a big bowl and add all other loaf ingredients. Mix thoroughly.

Pour batter into greased pan. Cut the fourth banana lengthwise in half and place the slices on top. Bake for 45 minutes.

For topping, scoop only the top layer of cream from the can of coconut milk into a bowl. Add honey and vanilla powder and mix until smooth. Serve with the banana nut loaf.
