

ready for some speed?

It's All About the Connection...

With High Speed Internet, you can upload large data files, view large website graphics, and manage finances online at lightning fast speeds. Our connection is built for families and people who work from home.

Great Speeds!

Struggling with your Internet speeds? Step it up with High Speed Internet! We have different speeds to suit your needs.

Play Games and Stream Movies!

With faster speeds, you can stream online movies, shows, music and games with ease with a new Roku box from Star! The super high speeds will also allow you to connect your gaming equipment to the Internet so you can take on other hard-core gamers.

Free Technical Support

Free Tech Support is available 24 hours a day, 7 days a week. During regular business hours, our repair department may be contacted by dialing 611 from your Star telephone. Or, you can call 1.800.945.4233.

Revised 8/26/26

Managed Wi-Fi Solution

Star's managed Wi-Fi service is a wireless solution for your whole home to eliminate connectivity problems by letting Star handle the setup and maintenance of your service.

- Standard Router = \$5.99/month
- Premium Router = \$7.99/month
- Mesh Standard (extender) = \$5.99/month
- Mesh Premium (extender) = \$7.99/month
- Outdoor Wi-Fi = \$14.99/month

**Outdoor Wi-Fi installs are subject to a \$150.00 installation fee.*

Benefits of Managed Wi-Fi:

- Wi-Fi 6 technology
- Maintained remotely by Star engineers
- **ExperienceIQ App - Peace of Mind**
 - Manage which devices have access to Wi-Fi and when
 - Block websites
 - Safe Search: Remove inappropriate or explicit content
 - Manage network usage and access
- **ProtectIQ App - Powerful Protection**
 - Get real-time alerts when a threat has been blocked
 - Easily perform a security scan on all your devices
 - Prevents threats before they access your home network
 - Helps protect all devices on your network

ExperienceIQ and ProtectIQ are free with your Wi-Fi subscription!

Find out if fiber is in your area by visiting join.starcom.net.

IF YOU ARE NOT IN A FIBER TO THE HOME AREA PLEASE CONTACT US AT 1.800.706.6538.

Please note: Not available in all areas. Does not include applicable taxes and fees. Best effort service.
STMC does not guarantee speeds. Speed based on download speed on a wired connection. Wireless speed may vary.
PURE 150 is for new customers only.

We Are Your WiFi Experts

Does your current WiFi connection slow down in certain areas of your home or even drop out entirely?

Is it a hassle to connect new devices? Do you have more than 3 devices connected at the same time?

If you answered “yes” to any of these questions,

Managed Wi-Fi is a great fit for you!

We can ensure that your router is hooked up correctly and it will always be covered if anything goes wrong, or if you ever have questions! Let us help you get connected for as low as \$5.99 per month. Flip over for more info!
